

CONNECT-THAT-DOT

Connect each dot to the dot it points to.
Some dots don't point to any dots, and
some point to multiple other dots!

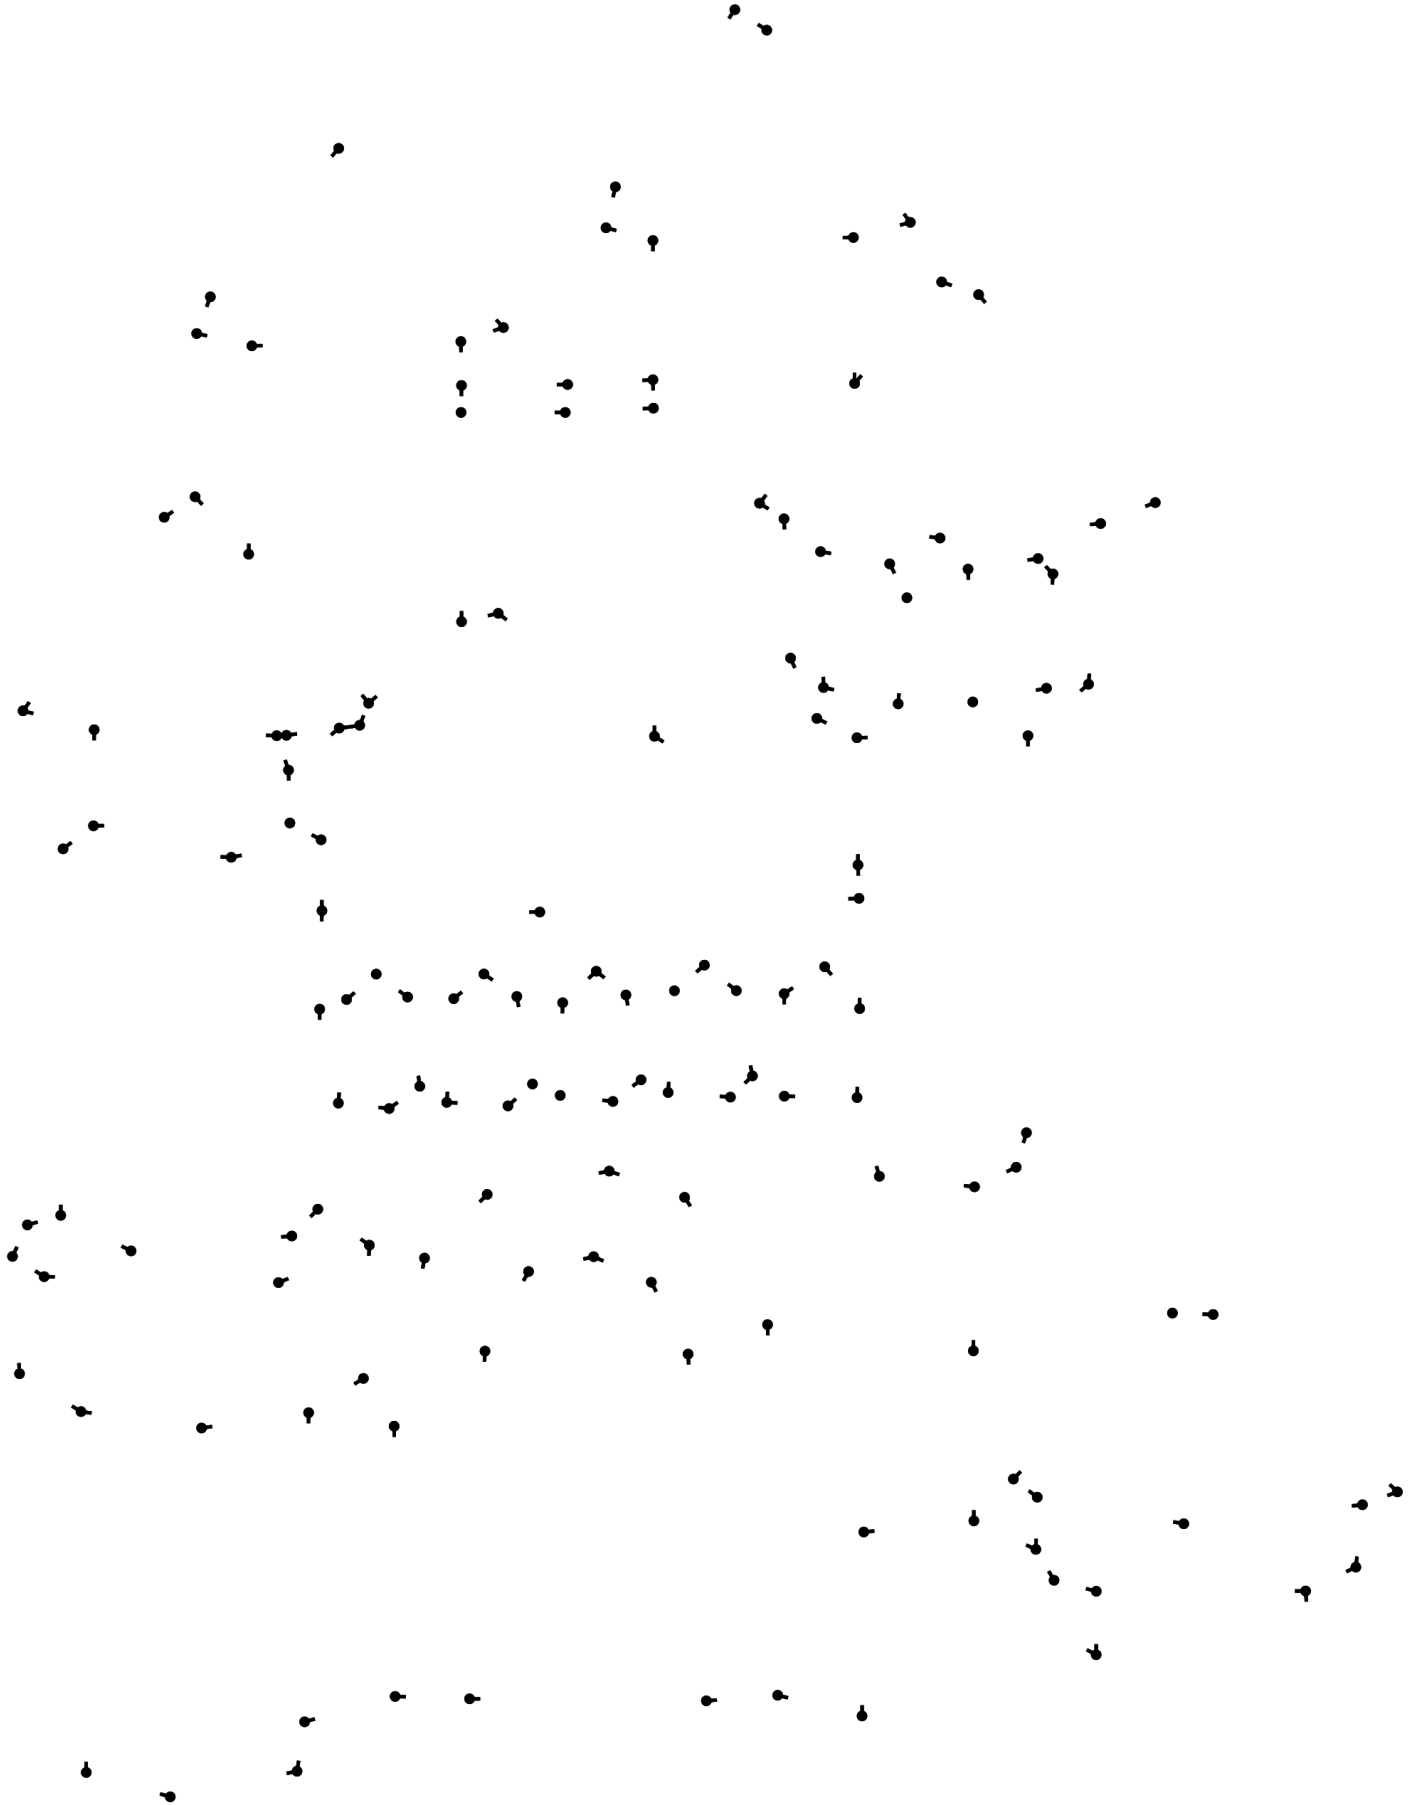

CONNECT-THAT-DOT

Connect each dot to the dot it points to.
Some dots don't point to any dots, and
some point to multiple other dots!

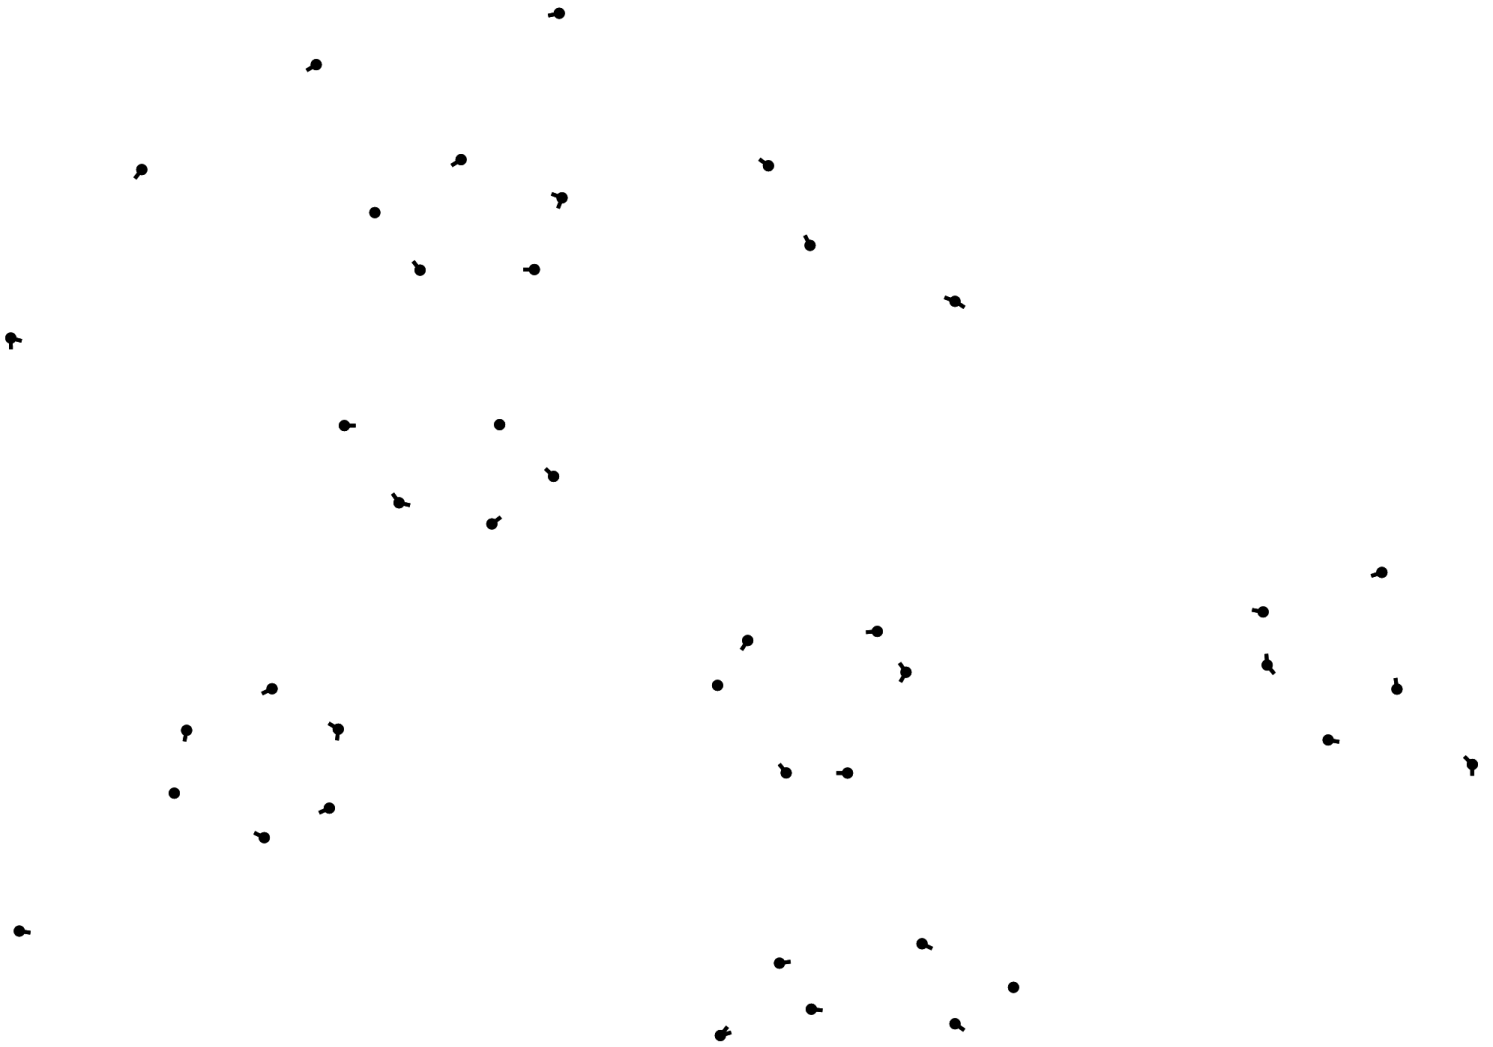

CONNECT-THAT-DOT

Connect each dot to the dot it points to.
Some dots don't point to any dots, and
some point to multiple other dots!

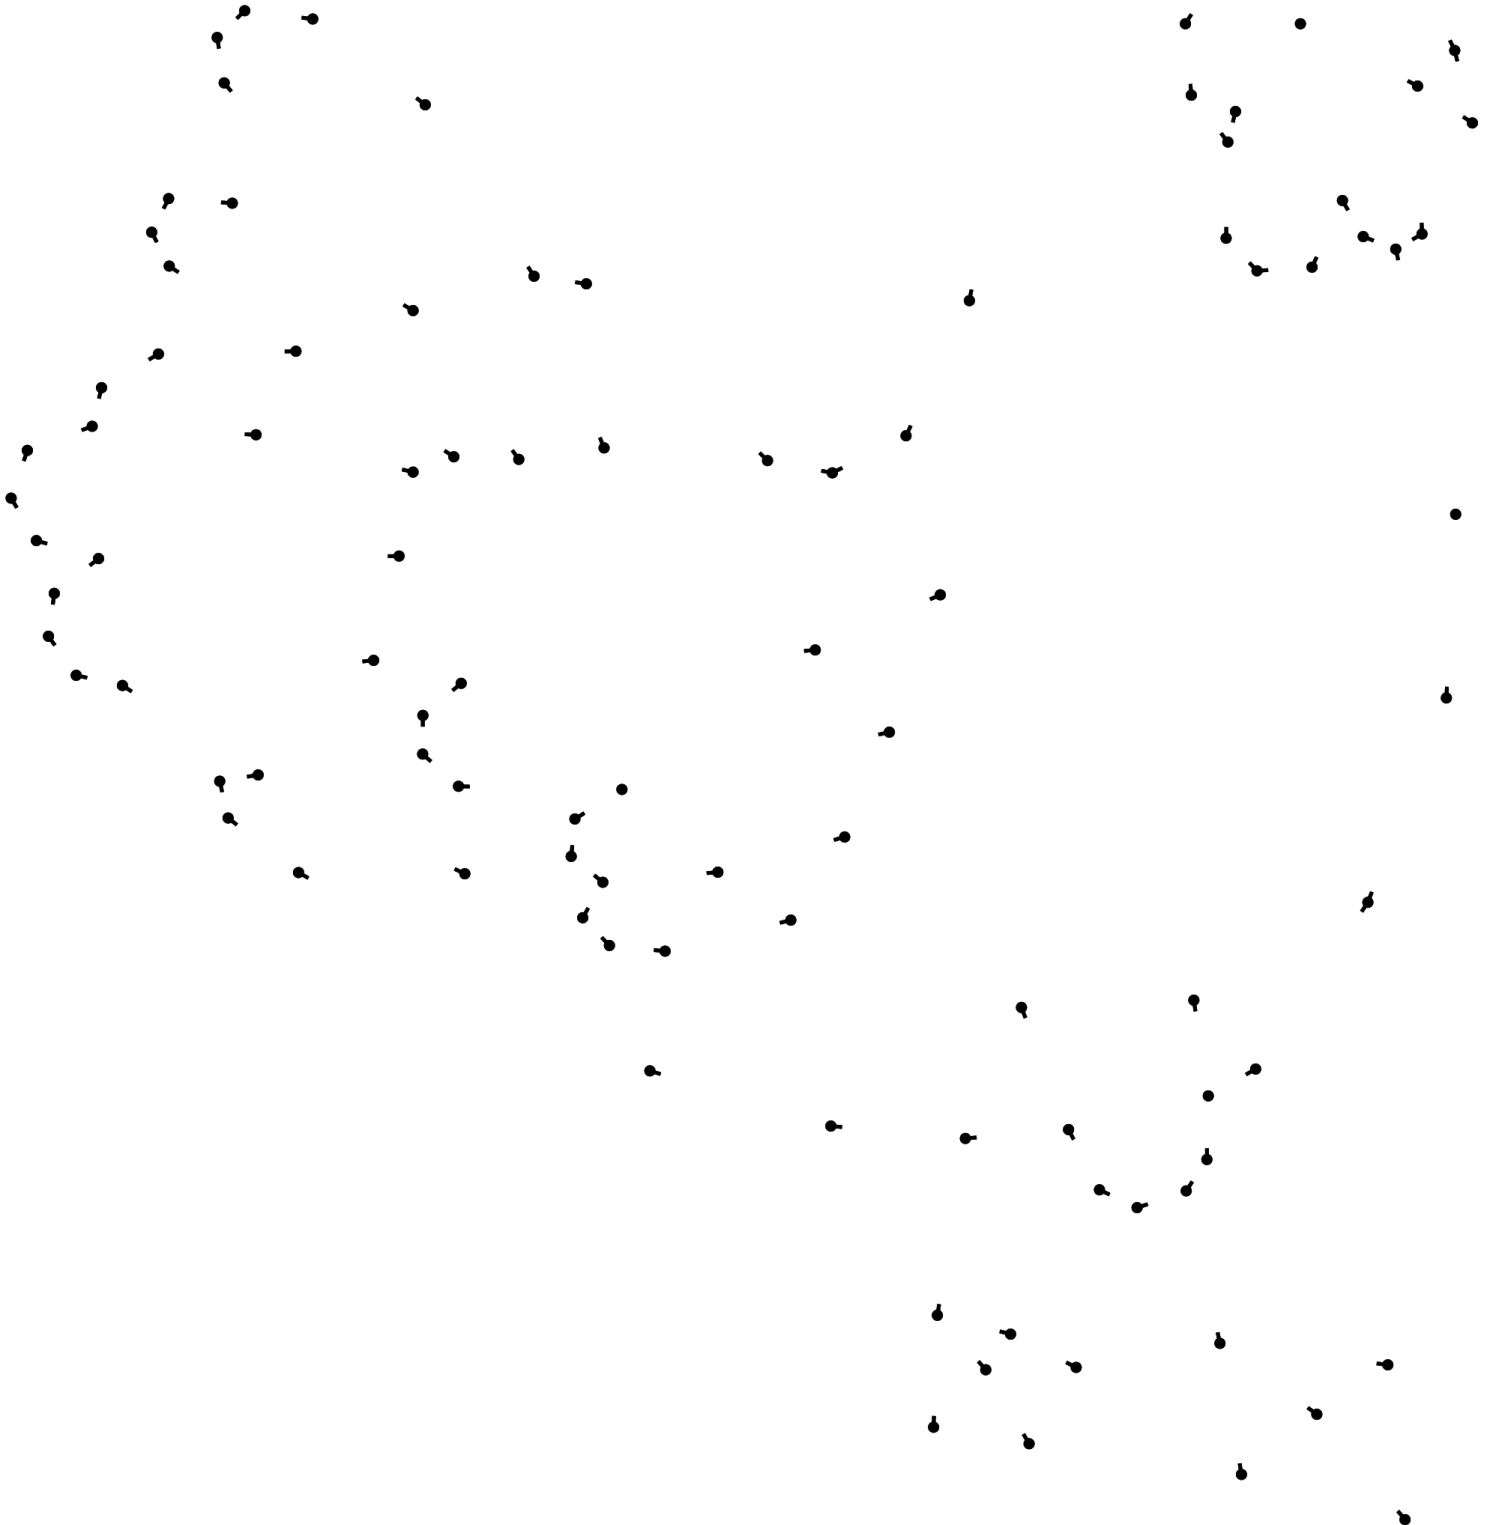

CONNECT-THAT-DOT

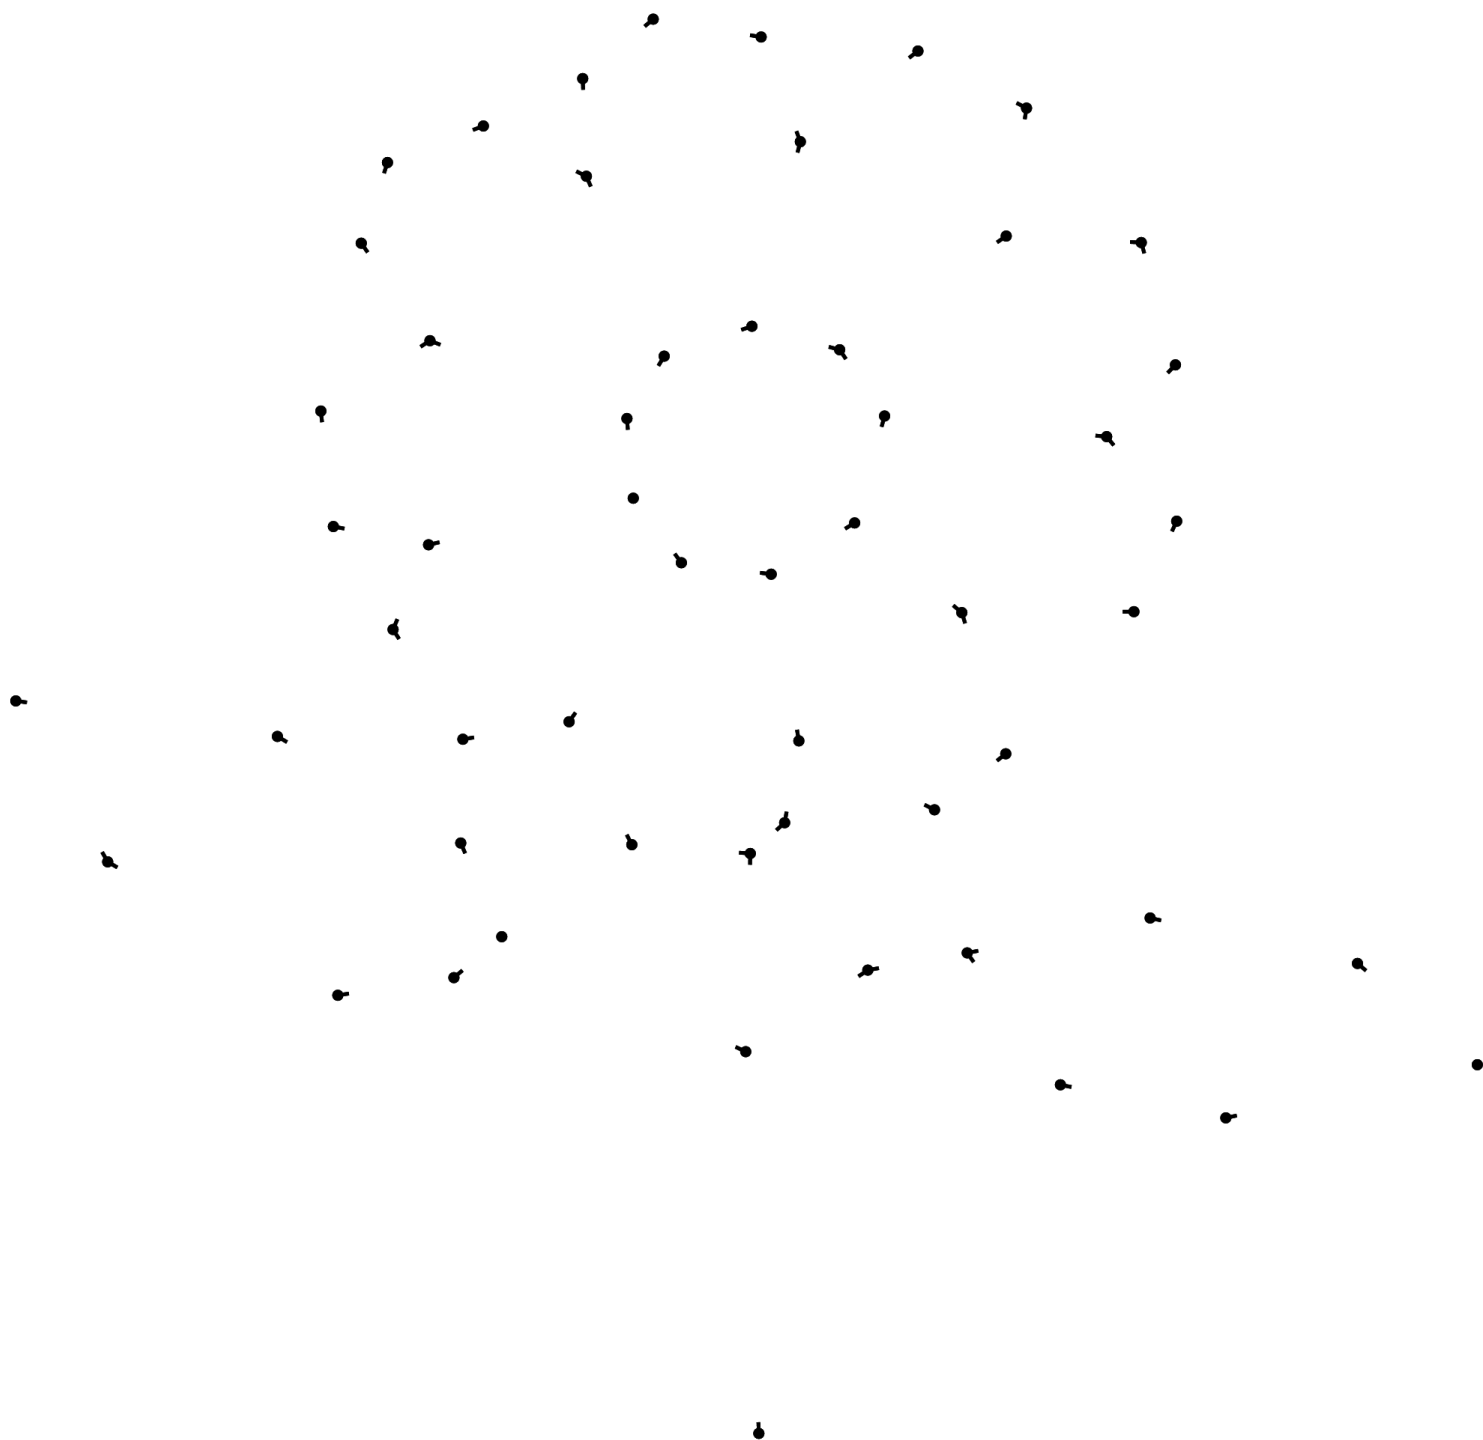

Connect each dot to the dot it points to.
Some dots don't point to any dots, and
some point to multiple other dots!

CONNECT-THAT-DOT

Connect each dot to the dot it points to.
Some dots don't point to any dots, and
some point to multiple other dots!

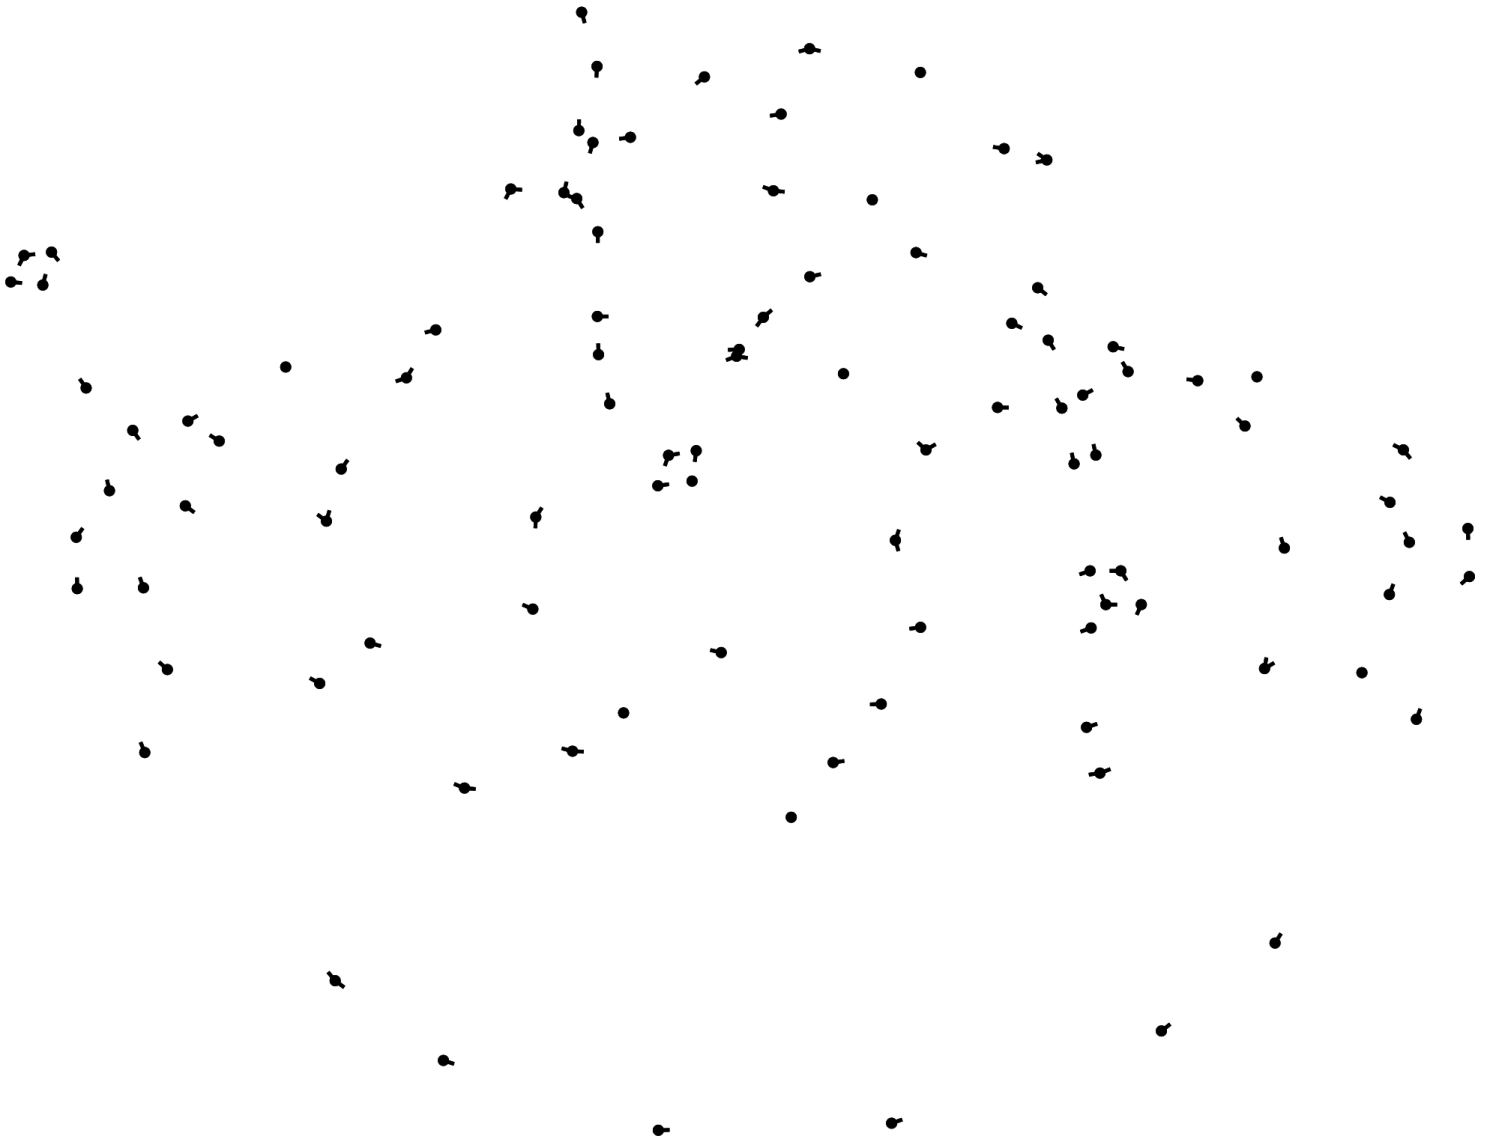

CONNECT-THAT-DOT
